

June 2007

benningtonplace.com

Happy 4th of July! Several firework display shows will be in our area Wednesday evening, including Carowinds, Uptown, and Daniel Stowe Botanical Garden. For additional information visit our website. Please remember fireworks are prohibited in our neighborhood. Have a safe and happy Independence Day!

Many **thanks** to Joanne, Randy, Toby, Caroline, Dan, Rocky, Catherine, Angie, Franklin, Traci, Chad, and Rhonda for their help organizing and ensuring the pool party was a success this year!

The **flowers near the pool** were not planted by the landscaping company this year. Instead, they were replaced by the following neighbors: Chris Hall, Dan Pasquarelli, Rocky Webb, and Franklin Rierson. Thank you all for your hard work to keep our community cared for and saving a significant amount of money!

Portrait Homes has scheduled the **final layer of asphalt paving** July 11 through July 18. This is subject to change, and Portrait plans to notify everyone when their section of the neighborhood will be completed. All vehicles will need to be moved for completion of the project. Additional information will be posted to the website as it becomes available.

Our **walk through** with Portrait Homes will be after the paving is completed. A date has not yet been established. Please send any items that need to be addressed to apage@carolina.rr.com and they will be added to our list.

If you have lost your **pool keys**, there will be a \$25 replacement charge by William Douglas. Please contact them at (704) 347-8900 if keys are needed.

Concerns have been received from neighbors with low **water pressure**. Excessive watering of lawns or gardens may be part of the cause. Please help your neighbors by minimizing water usage.

Have a suggestion, question, or comment? Visit the **community website** at www.benningtonplace.com to participate in the message board. You will also find the latest news posted.

You may reach William Douglas's **emergency pager** by dialing their main number – (704) 347-8900.

Again, have a fun and safe 4th of July!
